

Community Unit School District 200

Before and After School Program

Each elementary school in District 200 offers a Before and After School Program (BASP) that provides daycare for children who attend that school. Each school has a program director and, depending on the enrollment, instructional aides may also be part of the program. Listed below are some of the highlights each program offers. For individual school information, please contact your child's school.

- Each elementary school has a BASP program. The hours of operation for all programs is 7:00 am- 9:00 am (beginning of the school day) and 3:30 pm (end of the school day)-6:00 pm.
- The cost of the program is \$8.50 per session. There are two sessions each day: morning and afternoon. The cost of having a child in both sessions is \$17.00 per day. There are no family member discounts.
- Children who attend an elementary school in District 200 are eligible to register in their school's BASP program.
- You may register your child for the sessions that fit your daycare needs. A child may attend all sessions, morning sessions only, afternoon sessions only, or any combination. The program is available for any student who attends the school. There are no waiting lists for participants. Please note that enrollment in the BASP program is for consistent child care.
- The BASP program is offered on all days that school is in session. Extended care days are offered on the following days at an additional cost of \$13 for each half day and \$26 for each full day:
 - first half day of school: Tuesday, August 19
 - four half-day inservice days: Friday, September 19, Friday, October 24, Friday, February 6, and Friday, April 24
 - one full Teacher Work Day: Tuesday, January 20
 - one full Teacher Institute Day: Friday, February 27
 - last half-day of school, Tuesday, June 2
- Registration for the BASP program takes place at the child's elementary school. A registration packet is available in the school office. All communication after registration should be between the director and the parent. There are separate phone numbers for the BASP program.
- The BASP program is only offered before and after school. Kindergartners who attend school in the morning may sign up for BASP-AM; and, kindergartners who attend in the afternoon may sign up for BASP-PM. There is no program available for kindergartners during regular school hours.

For more information about the Before and After School Program, visit the district's web site at www.cusd200.org or call Linda Wallace, BASP Director, at 630/462-0279.
