Facility Management and Expansion Programs

Facility Development and Expansion Programs

When making decisions pertaining to design and construction of school facilities, the Board of Education will confer with members of the staff and community, the Illinois State Board of Education, and educational and architectural consultants as it deems appropriate. The Board of Education established these goals for the District's development and expansion program:

1. Integrate facilities planning with other aspects of planning and goal-setting.
2. Base educational specifications for school buildings on identifiable learner needs.
3. Design for sufficient flexibility to permit new or modified programs.
4. Design buildings for maximum potential for community use.

Managing Buildings and Grounds

The Superintendent shall develop procedures for managing buildings and grounds.

Standard for Green Cleaning

Wheaton Warrenville Community Unit School District 200 schools (WWCUSD 200) shall maintain clean, safe, healthy schools and limit the impact that cleaning products, equipment, waste and processes have on the environment by meeting or exceeding the states Guidelines and Specifications in reference to the Green Cleaning Schools Act (105-ILCS 140).
