Employee Badge Policy

For the safety and security of all students and staff, all Community Unit School District 200 employees, full and part-time, are required to wear a district provided photo identification badge during their contracted work day and during all extra-curricular contracted duties.

Substitute teachers and visitors are required to sign in at the office and wear a badge while in the building.

All grant employees, school liaison officers, and service providers who are in the buildings are also required to sign in at the office and wear identification, which at a minimum includes name and place of employment.
