

Board of Education Highlights

July 9, 2008 - School Service Center

Recognitions & Achievements

Dr. Drury recognized two Illinois State Speech champions, Dan Ottolin and Mark Schmidt from Wheaton Warrenville South High School. This is the second State Championship for Mark. He won as a sophomore.

Members of the Wheaton North High School's baseball team were recognized by the Board of Education for finishing fourth in the Illinois State Baseball Tournament this spring.

The Board took the following action:

Approved the renewal of the Edline Online Grading System for use at the middle and high schools. Several new features have been added to facilitate access for both students and teachers.

Approved the bid of Veolia Environmental Services for standard waste removal and recycling services at all D200 buildings. This is a 3-year contract beginning August 1, 2008.
