

Board of Education Highlights

October 14, 2009 - Hubble Middle School

Superintendent Report:

Dr. Margo Sorrick, Assistant Superintendent for Educational Services, presented the annual Student Achievement Report for 2009. The slide presentation can be found on the District's website at: www.cusd200.org, "Student Achievement Report" by Friday, Oct 16.

The Board took the following action:

Adopted Policy 7.220, Electronic Recordings on School Buses, as revised and posted for public review and comment. The policy now allows for the installation of video cameras on all District school buses.

Approved the band, orchestra, vocal music and visual arts curriculum as revised to align with Illinois State Learning Standards. The curriculum has been posted for thirty days for public review and comment.

Approved a one-year extension of the Classified Employees Association agreement with a 1½ % total package increase.

Next Meeting:
