- A **highly qualified, nurturing, and enthusiastic staff** is necessary to ensure each student's success.
- Each student deserves a **challenging, rigorous, and comprehensive curriculum** that leads to academic achievement, social well-being, self-realization, good citizenship, and personal growth. Each student should have the opportunity to enhance these characteristics through a **comprehensive extracurricular program.**
- **Technology** must be an integral part of the instructional program.
- Schools should promote a **culture of respect** that values individual differences.
- A **safe and secure environment** should be provided in all of our buildings.
- **Well maintained facilities** support the instructional program and promote student learning.
- Services must be delivered in a **cost-effective** manner.
- The **community has high expectations** for the quality of education in its public schools.
- Successful schools result when a **partnership** exists between the schools, parents, and the community.
