

Sight Words

Sight words are great tools for beginning readers!

These are words your child should be able to recognize, read and spell independently. The following list is a list of the words that are taught each month. Please follow the newsletter in order to find out which words are taught each week.

August/September

I
a
my
the
like

February

see
off
he
she
said
are
look
come

October

am
and
an
at
we
go
can

December
