Welcome to Second Grade E- Learning,

This is a guide to help you over the next 2 weeks. Please follow the schedule day by day. Do not feel like you need to complete all of the work in one day.

Parents, please sign off at the bottom of each day to ensure that work is completed. Please also record the books you have read on the log provided.

If you have any questions or concerns, I will be available to answer them from 9:30-3:30 each day.

All work will be due when we return back to school.

Thank you for being flexible and open during this time. I am looking forward catching up with each of you on Google Classroom.
