

# SAT/ACT Conversion Chart\*

The chart below is helpful when comparing ACT and SAT scores. **Please note** - both the SAT and ACT are accepted at all U.S. Colleges and Universities for admission purposes. All juniors at WNHS will take the SAT in the spring during the State of Illinois mandated testing period. Students must register on their own, and at their own expense for the ACT at [www.ACTstudent.org](http://www.ACTstudent.org).
