Dear Parents of 2021 Graduates:

Thank you so much for your patience and continued support as we navigate this very difficult time. We, in the Counseling Department, have spent the last couple of weeks adjusting our curriculum to a virtual format that we feel will best serve the Class of 2021. This process has proved challenging, but like you, we are adjusting and doing the best we can with the current environment. We would like to provide you with a few important updates to our curriculum. Please know that we are always available to answer any questions your family may have.

Senior Conferences

Each of our counselors met in a large group setting with their individual caseloads to go over the [WNHS Application Process](#). This link will provide you with interactive videos and details about navigating a variety of application related materials from home. Over the next few weeks, your student will meet in a 1 to 1 format with their counselor. The purpose of this meeting is to support the college application and post-secondary planning process for each student. All of our [Senior Level Curriculum](#) can be found on the Counseling homepage and in your student's individual Google Classroom pages.

Financial Aid Night – September 16, 2020 – 7:00 PM

Frank Palmasani, author of “Right College, Right Price” will discuss how you can **maximize your opportunities for scholarships and grants** – thus **reduce your college sticker price**. He will also share his unique method of finding “financial fits,” affordable college options. Due to Covid restrictions, we are making this available to all families in their homes through the following link: <https://youtu.be/KDpF8sOoYgU>

On Wednesday Sept 16th at 7pm, we have set up a zoom meeting with Frank so he can answer your questions. After you watch the video, use the link below and you will be able to attend the Q and A session with Frank.

Traditionally hosted prior to our first semester curriculum night, we have moved our Parent/Family Night to 9/15/20. Parents and students can gather updated information via a zoom presentation done by counseling staff. Families will have the opportunity to enter a virtual breakout room for a Q and A session with your student's counselor. Don't worry if you can't make it. The [presentation](#) is posted on our website, for you to view and will update with audio at a later date.
