Dear Friends,

Did you know that one in five children in northern Illinois are at risk of hunger? A group of parents, with the help of staff and the Northern Illinois Food Bank, are going to start a weekend nutrition program to provide assistance to families at Pleasant Hill. Spring is right around the corner, and we have decided to form a run/walk fundraising team to participate in the Northern Illinois Food Bank's Foodie 5K on Saturday, April 12th at Cantigny Park in Wheaton to raise funds for our weekend nutrition program. The money raised through donations to the runner/walkers participating on our team will directly benefit our new program. Please consider joining us on the course and during the post-run/walk festival.

If you are not able to join us, we hope you will consider making a donation of any amount. For every \$1 donated we can provide \$8 worth of groceries! Please click on the below link to register or to make a donation.

To join our team click register, click individual or child, next step click "join a team," click Pleasant Hill Cares and Shares and you will be on your way to helping raise funds.

Please feel free to pass on to any family or friends that you think may be interested in participating, and contact us if you need any further information.

Thank you!

Julie Basom & Terese Janik

Have a great weekend!
