Food Drive:

The PTA is currently in the process of creating a self funding 'nutrition program'. We are teaming up with the Northern Illinois Food Bank to create a couple programs, one of them being a weekend nutrition program for families in need. Next year, backpacks full of nutritious food will be going home to families who need it every weekend. This can only be done with your help! Pleasant Hill is forming a group of walkers and runners to participate in NIFB's Foodie 5K and we would love for you to join us! If you cannot join, please consider making a tax deductible donation, all money raised will go directly to Pleasant Hill families. For more information, please see attached document.
