FROM THE WHITTIER PTA

August 2020

Dear Families & Staff,

No matter where school is held this year (in-person or virtual), the Whittier Parent Teacher Association (PTA) will be here for you and your child. We will count on you to decide where to focus our efforts to meet the ever-evolving needs of this unique school year.

Your membership gives you a voice and a vote in deciding how we direct our efforts and our funds. Your attendance is encouraged (but not required!) at the general meetings where enrichment programs, budgets and school events are discussed.

By joining the Whittier PTA, you connect with other parents to create a community where families feel valued, respected and known. You become part of the Illinois State PTA and National PTA, the most powerful children's advocacy organizations in the country. Most importantly, you open the door for more opportunities for you and your child to have an enriching, successful and FUN school year, whether it be from home or in the classroom.

We can do more together than apart. Visit <https://whittier.memberhub.store/>, or scan the QR code with your phone and follow the directions to become a member.

Sincerely,

Liz Karnik
Whittier PTA President
2020-2021
