Things to keep in mind:

- ✓ All lines above must be completely filled in to represent a full course load.
- ✓ Please be sure you have met prerequisites for electives. Refer to the Course Catalog located on the school website for clarification.
- ✓ In order to get early release or late arrival you must have 20 credits by the end of your Junior year.
- ✓ You must take a total of 7 classes per semester (may include study hall).
- ✓ Your Access/Lunch will be preassigned.
- ✓ You will enter your requests into StudentVUE (Course Requests)—this must be done by February by 16th.
- ✓ Go onto the Counseling Center website on WWSHS.org and click on the “**Course Selection Planning**” to view all available courses.

NO ELECTIVE COURSE CHANGES WILL BE ALLOWED AFTER JUNE 5TH

- The classes you pick for next year (course requests in StudentVUE) determine what classes we offer. It is extremely important that choose your classes carefully. Please review the Course Catalog and see your teachers if you have questions!
- Please make sure you have all eight classes for each semester and you have entered courses correctly. Classes ending in odd numbers are for first semester and courses ending in even numbers are for second semester.
- In May, you will be able to review your Course Requests. You will have limited opportunities to change your class selections. Changes will be made based on availability only until June 5.
- After June 5th, the only changes (including level changes), that will be made for 1st semester are scheduling mistakes.
- Second semester sequential elective changes will be allowed and need to be made by December 1.

WWS GRADUATION REQUIREMENTS

As you select courses for your Junior Year, please keep in mind WWSHS graduation requirements. These graduation requirements will meet most College Admissions Requirements. The possible exception is some colleges will also require two years of a World Language. It is always important to check with individual college and university requirements.

The total number of credits needed for graduation is 24. Each semester course passed with a grade of A, B, C or D is worth .5 credit (one half).
