Tuesday, February 2, 2021

Dear Incoming Kindergarten Parents,

We would like to invite you to our [Virtual Kindergarten Roundup Q&A on Wednesday, February 24](#). The session will be held at 7:00 pm. We encourage you to bring your paperwork to our office sometime before that date.

On [February 16](#), you will receive a link to our [Kindergarten presentation](#). This slide-show should help answer many questions you may have (*please view this presentation before the Q&A on February 24*). In addition, a kindergarten information packet* will be available for pick up at the school beginning February 16. The packet will include enrollment forms.

Please call the office to schedule a time to drop off your completed paperwork, along with the following:

- **Copy of your current lease or mortgage**
- **2 documents for further proof of residency (i.e., credit card statement, utility bill, tax statement, driver's license, etc.)**
- **Your child's original certified birth certificate (we will need to see the original, but will then make a copy and return your original to you)**

If, for some reason, you decide *not* to send your child to kindergarten at Lincoln School, please let us know as soon as possible. It is important in our planning to have an accurate enrollment number of children to expect for the fall.

We are looking forward to meeting you soon and having your child join the Lincoln family.

* Kindergarten Information Packet: Including physical examination, dental and vision forms. State regulations require every kindergartner entering school to have a physical and show record of up-to-date immunizations. This form can be turned in anytime, but *must* be here before the first day of school in August. The physical must be within one year from school start, so make your appointment now. Kindergartners will also need to have an eye exam by October 15, 2020 and a dental exam by May 15, 2021.

Sincerely,

Dr. Jeffery Mitchem, Principal
