

**TCD**  
TECHNOLOGY CENTER  
OF DUPAGE

## Are you a sophomore or junior student interested in attending TCD next year?

For current TCD and newly interested students, we have created both a Remind account and google classroom entitled Going to TCD Next Year? to offer current program and registration information.

Please join the remind at 81010 message @tcd21-22. If you are unable to text, you may also email me at [wendy.biggs@cusd200.org](mailto:wendy.biggs@cusd200.org) -You will then be invited to join the google classroom.

The annual field trip is not available due to covid, but we will soon have videos from TCD explaining the program options for students.

There will be a live Q+A program on Thursday, January 21 from 6-7 PM. More information and links will be available after winter break through the remind and google classroom. Don't forget to join ASAP.
