We believe...

- > All students can learn beyond expectations.

- > Each student deserves a **challenging, rigorous, and comprehensive curriculum** that leads to academic achievement, social well-being, self-realization, good citizenship, and personal growth.
- > Each student should have the opportunity to enhance these characteristics through a **comprehensive extracurricular program**.
- > **Technology** must be an integral part of the instructional program.
- > Schools should promote a **culture of respect** that values individual differences.
- > A **safe and secure environment** should be provided in all of our buildings.
- > **Well maintained facilities** support the instructional program and promote student learning.
- > Services must be delivered in a **cost-effective** manner.
- > The **community has high expectations** for the quality of education in its public schools.
- > Successful schools result when a **partnership** exists between the schools, parents, and the community.
