HEALTH REQUIREMENTS FOR SCHOOL ATTENDANCE

Dear Parent/Guardian:

Physical Examination Requirements

The Illinois school code requires that students entering school for the first time (**early childhood, kindergarten, or first grades**), students entering **kindergarten, sixth and ninth grades, and transfer students** must submit evidence of a physical examination and a complete record of immunizations.

- **The completed physical examination and record of immunization form is expected at the school health office upon enrollment/ registration and required by the first day of student attendance.**
- **Appointment dates for obtaining a physical exam do not meet the school requirement.**
- Physical examinations must be done by a licensed physician, advanced practice nurse or examining physician assistant.
- Physical examinations must be dated within twelve months **prior** to the first day of school.
- Only the State of Illinois Department of Human Services Certificate of Child Health Examination form will be accepted.
- For safety considerations, students may not be allowed to participate in physical education classes until the required physical form is on file in the school office.
- Medical objections to any physical examination or immunization must be submitted in writing by a physician and must contain required information.
- Religious objections to any physical examination or immunization must be submitted on the Illinois Department of Public Health's Certificate of Religious Exemption form.

STUDENTS WHO DO NOT MEET THESE REQUIREMENTS

WILL BE EXCLUDED AND WILL NOT BE PERMITTED TO ATTEND SCHOOL PER DISTRICT POLICY.

Immunization Requirements

Immunization records must show proof of immunization against diphtheria, tetanus, whooping cough, measles, mumps, rubella, polio and chicken pox.

- **Early childhood students** are also required to have the haemophilus influenzae and pneumococcal vaccine.
- **Early childhood and sixth grade through high school** students are also required to have the hepatitis B vaccine.
- **Sixth grade thru twelfth grade** are required to have the Tdap vaccine.
- **Sixth grade and twelfth grade** are required to have the meningococcal vaccine.

Dental Examination Requirements

Students in **kindergarten, second and sixth** grades must submit evidence of a dental examination by May 15th of that school year. Dental exams must be completed within 18 months prior to May 15th.

Vision Examination Requirements

Students entering Illinois schools for the 1st time (**kindergarten or transfer**) must submit evidence of a vision exam.

All required health forms are available at the school office or www.cusd200.org. The school nurse may be able to provide resources for obtaining health requirements.
