What is it?

Math lab is a supplemental class that will help reinforce, re-teach and provide additional support for your current math course. This class is graded *pass/fail*. We will split class time among the following:

- Time to go over questions from previous math classes
- Preview/Re-Teach Skills
- Math Talks
- Related activities focusing on different areas of mathematics
- Review basic math facts, specifically fractions, decimals and number sense
- Monitoring Progress

We will use a variety of assessment to monitor your progress and these various assessments will be used as a part of your class grade.

Class Expectations

- Come to class prepared and bring all your math materials, as if you were going to your regular math class.
- Come to class on time and be ready to work.
- Be respectful in class- to the teacher, other students, the material and yourself.
- Participate in all class activities
- Ask questions and make a true effort to better your math.
