# Learning how to use books

To help your child succeed, you can:

- Let your child feel the book's cover, pages and pictures and talk about them.
- Use sturdy cardboard books with thick pages so your child can turn the pages.
- Have your child point to pictures in the book.

To make this activity more challenging, you can:

- Have your child show you how to turn pages from right to left.
- Point to the parts of the book (front, back, pages) and ask your child what they are.
- Ask your child to point to a picture and a word in the book (e.g., show me a picture. Show me a word).
- Have your child point to familiar words in the book.
