Keeping a diary

To help your child succeed,
you can:

- Give your child different things to make pictures with (finger paints, stamps, stickers).
- Have your child cut out and paste pictures from catalogs and magazines.
- Use photographs of what your child did that day.
- Set the same time everyday for your child to draw.
- Draw with your child.

To make this activity more
challenging, you can:

- Ask your child to tell you about his/her drawings (What's your drawing about?).
- Help your child write words on his/her drawings.
- Help your child write the day of the week on his/her drawings.
