## Hints

# Looking at pictures in a book

To help your child succeed, you can:

- Use a book with large pictures of things your child likes (baby animals).
- Ask your child simple questions (Is the froggy green?).
- Wait longer for your child to say something (Yeah, froggy green.).
- Make a simple sentence out of what your child said (Yes, the froggy is green.).
- Talk about how pictures are different from real things.

To make this activity more challenging, you can:

- Ask your child to make connections to your child's own experiences (Have you seen a doggie like this before?).
- Ask your child harder open-ended questions (Why is Goldilocks breaking Baby Bear's things? What is a kennel?).
- Add more to what your child said (She is too big for his things, because she probably is older than him.).
- Talk about opinions, thoughts and feelings (How do you think Baby Bear will feel? Why think Spot is hiding?).
