

Activity

Rhyming words

- Say a word you want to rhyme with (dog, cat, berries).
- Let your child make up words to rhyme with real words (log, hat, derries).
- Show your child that he/she can put different sounds at the beginning of his/her name to make words that rhyme with it (Timmy, Vimmy).

Rhyming words

To help your child succeed, you can:

- Say softly some words (bread, red, Fred) that rhyme with your word (bed) and encourage your child to say them after you.
- Give your child hints of what words rhyme with your word (What is your favorite color?).
- Say the end of your word (ed) and ask your child what word sounds like that.

To make this activity more challenging, you can:

- Give your child longer words (teacher, apple, butterfly).
- Encourage your child to say as many words as he/she can.
- Have your child tell you why the words sound alike.
