

The College Board, the organization that oversees Advanced Placement, has announced significant changes to the AP exam ordering process, deadlines, late fees and cancellation fees that will be mandated for all schools and all students in the 2019-2020 school year.

To align with these changes, CUSD200 AP students in 1st semester or yearlong AP Courses will register and pay for their AP Exams in the Fall of 2019. Students enrolled in an AP course 2nd semester will have the opportunity to register for that exam ONLY in the Spring of 2020. At the beginning of the 2019-2020 school year we will send out more information in regards to the price for AP exams and the specific registration deadlines.

As a school, we feel it is important that all families are aware of these changes to allow for advanced planning. We understand that these changes may cause concern for students, parents and teachers and appreciate your patience as we work to develop processes to fit the timeline from College Board.
