

As the high school year comes to an end, we would like to recognize those seniors from Wheaton North that are continuing their Athletic careers in college. If you will be playing sports at the collegiate level, please contact Mrs. Adams in the Athletics office: michelle.adams@cusd200.org to provide your information.

Athletic Recognition Day will be held from **8:00 – 9:00 am on May 16th in Rooms 802/804, and the Commons**. This will be an opportunity to take photos with fellow athletes, family, and coaches so please have your cameras ready! In order to attend, you need to provide the Athletics office with your name, sport you will be playing, and college attending in the fall. From there, an invite will be sent. Any questions, please contact the Athletics office at the email listed above.
