A Message From The Principal...

Dear Parents,

The season of spring is quickly approaching and we are taking steps to prepare for the various events that take place during that time frame. As we head toward the end of the school year, we begin planning for all of the culminating activities that highlight what a great school we have in Wheaton North High School. The most important activity is celebrating the Class of 2016: Graduation, May 28, 2016, 10:00 a.m. at the College of DuPage. A Senior Newsletter will be mailed home just after spring break highlighting the important dates, times, and responsibilities, which includes the senior class meetings - April 21st and April 28th, the mandatory graduation practices – May 19th and 20th, and the Senior Honors Assembly on May 20th.

This newsletter focuses on March and April events. In March, we have many performing arts activities for everyone to enjoy. The month of April is host to many activities as well, with our spring sports programs in full swing. Additionally, we are conducting the PARCC assessment over a two day period, April 19th and 20th. For more information on state testing and the schedules we will be following, please visit our website by clicking on this link: https://goo.gl/P1HkdO.

As always, if you have any questions or concerns, please feel free to contact us. I hope the spring season is a great one for you and your family.

We are Falcons. We are Proud. We are North.

Sincerely,

Matt Biscan, Principal
From the Desk of Julie Pavlini  
Asst. Principal of Support and Enrichment

The 2016 Wheaton North spring testing schedule is set and will include assessments for freshmen, sophomores, and juniors. The testing provides valuable data to help us monitor our curriculum, instructional practices, and student growth. We have developed a schedule that minimizes the loss of instructional time while also meeting the Illinois State Board of Education requirements for testing.

- All juniors will participate in the ACT, which is a college-reportable ACT with writing.
- All sophomores will participate in the PLAN test, which provides a predicted ACT score.
- For freshmen, PARCC testing will be specific to students enrolled in Freshman English 1 and Freshman English A, as well as students enrolled in Algebra 1B. Because of individual student schedules, this means that some students will take both the English and Algebra tests, while other students will only take the English test. The PARCC tests are being spread over 2 days.

On behalf of the staff and administration at Wheaton North, I would like to thank you in advance for your collaboration in preparing students for a positive and productive testing experience.

Spring Extrav

Come one, come all, to Wheaton North’s Talent Show, Spring Extravaganza! This once-a-year event showcases the best North has to offer in song, dance, rock bands, percussionists, and everything in-between! The show is hosted by our hilarious comedy troupe, a talented group of seniors guaranteed to have you laughing in the aisles! Performances are Friday, March 11 and Saturday, March 12 at 7:00 PM in Taylor Auditorium. Tickets can be purchased at the door - $8 for parents and $6 for students and seniors. See you there!

logo design by PJ Dohm
Spring Musical: Mary Poppins!

The spring musical is Mary Poppins! It has been 52 years since Mary, the uplifting magical nanny, first appeared on 17 Cherry Tree Lane to the Banks household in the classic film starring Julie Andrews and Dick Van Dyke. In 2006, the film became a hit Broadway musical featuring all of the classic songs – “A Spoonful of Sugar”, “Let’s Go Fly a Kite”, and “Supercalifragilisticexpialidocious” among others. Now for the first time, Mary Poppins comes to the Taylor Auditorium to share her undeniable spirit with the Wheaton North community. This beloved musical features show-stopping dances, toe-tapping music, and “the Magic of Mary” which will include, for the first time ever, characters flying atop the Wheaton North stage! Performances are Apr 21-23 (Thurs, Fri & Sat. night) at 7:00 pm with a special Saturday matinee at 2:00 pm on Apr 23. Tickets are $10 for adults, $5 for students and seniors. For tickets email Brian Phillips at the Falcon Box Office at Brian.phillips@cusd200.org or call (630)784-8495. Don’t miss this once-in-a-lifetime show!

2016 Booster Club Scholarships

Seniors - Don’t miss this chance to receive a $500 scholarship from the Wheaton North Falcon Booster Club! Up to ten awards will be made to senior students who have been active in Wheaton North activities and plan to attend a one to four year accredited educational program after graduation.

Scholarship awards are made on the basis of participation in Wheaton North activities such as athletics, performing arts, student clubs, and other school related activities, along with leadership, a personal statement and academic record.

Applications may be submitted now through April 6, 2016. Forms, including instructions and further information, are available in the school Guidance Office or may be downloaded from the Booster Club website at www.wnhsboosters.org. Don’t wait too long to get started on your application!

Déjà Vu: Wheaton North’s Literary and Arts

Do you like to write; to read poetry, short fiction, or prose essays; to draw, paint, photograph, or sculpt; or to enjoy fine art?

Déjà Vu is for you!

We are Wheaton North’s Literary and Arts magazine. Click on “Falcon Humanities” on the Wheaton North English Department’s home page to go to the Déjà Vu links, or scan the code.

You can join us in two ways:

• Contribute your writing or your art to our magazine or as an entry for our website’s contests, and/or
• Come to our Thursday editorial meetings to review and to evaluate student submissions at 2:30 in room 114.

Everyone is welcome!

To contribute your work (considered anonymously) to the editorial staff for consideration, do the following steps:

1. Attach your document or digital photo of your art to an e-mail.
2. Write “Déjà Vu submission” in the subject line. I will not open the e-mail without this step included.
3. Send the e-mail to Debra.Vangetson@cusd200.org

See Mrs. VanGetson in room 114 with any questions.

Student Parking at Wheaton Bowl

Campus parking is for seniors only, but all other students are eligible to purchase a parking tag for Wheaton Bowl for the remainder of the school year. The semester fee is $75 but will be prorated based on the date of purchase. Applications are available in the Deans’ Office.
From the Nurses

The FREE DuPage County Health Department Dental Program is coming in March. Please complete and turn in the required permission form as soon as possible since space is limited. Permission forms allowing your student to get a dental screening and treatment (if needed) can be found in the nurse’s office or main office.

Welcome incoming 9th graders!

Your 8th grade records are transferred to the high school before the end of the school year. If you anticipate needing a copy of your immunization record, please get it as soon as possible from your middle school. Health records are not available from WNHS over the summer.

All students entering 9th grade are required to have a school physical completed within one year of entering 9th grade, documented on the most recent version of the Illinois Department of Human Services form- see link to form under Wheaton North Health Services web page. Completed school physicals should be mailed to school or dropped off at the main office as soon as possible before school begins to ensure compliance with district policy. Parents please remember to complete the Health History portion of your student’s 9th grade physical (the section is located above the doctor’s information on the IL DHS form). This section is a required part of the required 9th grade school physical. As always, keep a copy for your own records! A separate copy is required for sports participation through the Athletic Office.

Current WN students

The meningococcal vaccine is now required for all students entering 12th grade for the 2016-17 school year. Please provide documentation from your health care provider to the health office ASAP. Students will be excluded from school per district policy if the health office does not receive appropriate documentation before the beginning of the 2016-17 school year.

Please remember to update emergency contact numbers through the on line process and notify the health office of any significant health changes. If your student becomes ill during the school day, please remind them to go to the Nurse’s Office before texting a parent to go home. It saves time and eliminates confusion.

If you anticipate needing a copy of a school physical and immunizations for summer work or camp, please call (630)-784-7327 as soon as possible before the end of the school year.

Reminders for the parents of graduating seniors:

You will receive a copy of your student’s immunization records with the Senior Newsletter this spring. If you do not received a copy, please call the WNHS health office at (630)-784-7327. Colleges and universities require a copy of these records for enrollment. It is a good idea to make a copy for your home file and for your student to keep in their personal file for future use. Doctor’s offices do not keep these records indefinitely. Health records are not available from WNHS over the summer. Only the graduated student is allowed to obtain their school records after graduation.

From the Desk of Alexia Ellett
Asst. Principal of Curriculum and Instruction

For Current & Future Falcon Families:

As summer schedules are starting to fill up with family and extracurricular camps and activities, we would like to share our schedule and textbook pick-up dates so that you can add these to your calendar too!

**Wednesday, August 3**
Seniors 12:30-2:30 p.m.
Sophomores 3:30-5:30 p.m.

**Thursday, August 4**
Juniors 12:30-2:30 p.m.
Freshmen 3:30-5:30 p.m.

**Tuesday, August 9**
Make-up 11:30 a.m.-1:30 p.m.

Only students new to Wheaton North can pick up their schedule and textbooks during the week of August 8-August 12. All other students, who were unable to attend our scheduled textbook and schedule pickup, may access their schedule online on Tuesday, August 16, and may pick up textbooks on the first day of school, August 17.

On Monday, August 15, and Tuesday, August 16, the building will be closed to all students as teachers prepare for the new school year. All students are welcome to walk their schedules and access their lockers the week prior.

*New to Textbook Checkout*

Freshmen, Sophomores, and Juniors will take yearbook pictures on their scheduled pick-up day. Seniors schedule their yearbook pictures during the summer months.

As always, please do not hesitate to call or email with any questions or suggestions for ways in which we can better support your family.
Prom 2016
Adventure of a Lifetime
Saturday, April 30, 2016

“The Early Bird” Ticket Special Pre-Sale:
Wed, April 6 - $130/couple & $65/single

Regular Ticket Price Sale:
Wed, April 13 - $140/couple & $70/single
Wed, April 20 - $150/couple & $75/single
Mon, April 25 - $160/couple & $80/single

**Tickets may be purchased during the lunch hours ONLY outside the Activities office. Checks should be made out to Wheaton North High School with the student ID number on the memo line.

**Prom favors are at a first come, first serve basis. Once the favors are gone, they are gone.

New Venue for Post Prom
Spirit of Chicago
Located at Navy Pier

Students will board buses at approximately 10:45 from WNHs and return at approximately 3:00 a.m.

Tickets will go on sale in April.

Interested in more information and volunteering? Join us at our next meeting

Monday March 7, 7 pm at Wheaton Park District Building, Blanchard Road

The ship cruises north to Oak Street Beach, turns around and cruises south to the Planetarium, and then back to Navy Pier.

In case of inclement weather, Post Prom will still take place; however, the boat will remain docked at the Pier.

High School Summer School Programs

• District 200 eLo online summer school courses. For more information on these courses please go to http://www.eloconsortium.org/summer.html

• College of DuPage offers a high school credit program for incoming and current high school students.
  → Course descriptions and schedule information can also be found at www.cod.edu/youth

• The Glenbard School District summer school is also open to WNHS students. For information about their program, fees, and schedule please go to: http://www.glenbard87.org/sitepages/summerschool/
  → Click Registration and then Available Courses

College Fair
SAVE THE DATE
Monday, March 21st
Illinois College Exposition (ICE) College Fair
North Central College – Naperville
6:30 PM to 8:30 PM
Recreation Center

Whether your child is a sophomore or junior who is just beginning the college search process or a senior who is still looking for that right school, attending a college fair is an excellent opportunity to explore post-secondary options. There will be technical schools, the military, and over 160 colleges and universities from across the country represented. In addition, financial aid professionals will be available to discuss and answer questions regarding the federal aid process.
From the Desk of Jim Venckus
Assistant Principal for Student Services

We appreciate you addressing the following issues with your student(s). Please contact us if you have any questions or concerns.

Heroin Awareness

Our nation is facing a heroin epidemic. Heroin use is no longer a city problem. It has found its way into suburbs and affluent communities. It has also been a growing problem in DuPage County. Here is some information about heroin from the Heroin DuPage website (http://www.heroindupage.org):

1) Heroin is a highly addictive depressant drug that has increased in purity and decreased in price over the years.
2) Heroin is a white powder in its purest form, but its color can vary from white to black depending on the purity.
3) In DuPage County in the last several years, the numbers for heroin overdose deaths are staggering: 33 in 2014, 46 in 2013, 38 in 2012, 23 in 2011, and 29 in 2010. In 2013, the victims ranged in age from 15 to 64 and represented all socio-economic levels.
4) People no longer have to inject heroin; they can now inhale it by snorting or sniffing it and smoking it. There is a misconception that heroin inhalation is less addictive or not as addictive as compared to using a needle.
5) Heroin is not usually used alone but with other drugs as well. Prescription medicine such as vicodin, codeine, hydrocodone, oxycodone, methadone, and fentanyl can act as gateway drugs to heroin.
6) Heroin is packaged in foil squares, balloons, gelatin capsules, and small parts of plastic bags or small zip lock bags. Cut-up straws are used to snort heroin.

Prom Guests & “Senior Ditch Day”

Prom will be held on Saturday, April 30 from 6 to 10 p.m. at the Abbington in Glen Ellyn. It is a junior-senior event. Students who are bringing guests who are not Wheaton North students must complete and submit a dance guest form to the Deans’ Office no later than Wednesday, April 27. A guest must be at least a high school freshman and not yet 21 years old. In addition, we would like to remind you that “senior ditch day,” which is traditionally the Monday after prom, is not a school-sanctioned event. The Illinois School Code is very specific about what is considered an excused absence, and “senior ditch day” is not one of them. Thank you for your support in helping us keep prom a safe and enjoyable experience for all students.

Some behavioral warning signs:

- Withdrawal from friends and family
- Decrease in school grades and attendance
- Quitting teams or hobbies
- Sudden change in attire
- Increased lying
- Aggressive behaviors towards those they love
- Increased secrecy, especially with electronics
- Increased time spent sleeping
- Change in friends
- Start locking themselves in their rooms

Signs of an individual high on heroin:

- Lethargic
- Low, slow voice
- Slurred speech
- Droopy eyes
- Hunched over/droopy appearance
- Shortness of breath
- Dry mouth
- Pinpoint or excessively large pupils that don’t adjust to light changes
- Disorientation
- Cycles of hyper alertness followed by suddenly nodding off
- Vomiting, especially common in beginning stages
- Sweating
- Lack of appetite
- Slow reflexes
- Scratching arms and face

Seek professional help in dealing with heroin use. Our deans, guidance counselors, social workers, and school psychologists at Wheaton North can be a good resource for you.

On a related note, if you find a pill you’re unsure of, you can have it identified at http://www.drugs.com/imprints.php.

Parking for Next Year’s Seniors

Parking applications for next year’s seniors will be available in the Deans’ Office on Monday, May 2. We will begin accepting completed applications along with the $150 yearly fee (cash or check payable to Wheaton North High School) on Wednesday, May 18. Students are required to show their driver’s license and school ID when they turn in their application. They can pick up their parking tags on senior book/schedule pick-up day during the first week of August.
2016/17 Course Selection Completed

The course selection process for next year was completed in February. All students met with their counselor to input their requests last month.

- The Counseling Department encourages all parents to review their student’s course requests by clicking the Course Requests tab in ParentVue.
- Students should have fourteen requests on their schedule which could include study hall or late arrival/early release (seniors only). Lunch/ACCESS will be added later.
- Please contact your student’s counselor if you notice an error or you have a question about the requests. Elective changes will not be allowed.

Attention Seniors – College Commitment

- Don’t forget the May 1st college commitment day is approaching fast.
- Please have your student see their counselor if they are still uncertain or have questions on where they want to attend next year.
- If your student is 100% sure on where they will be attending make sure they contact their other colleges to notify them that they will not be attending.
- Finally, remind your senior to go to their Naviance account (see below) to update their college decisions.

SAVE THE DATE

Monday, March 21st

Illinois College Exposition (ICE)
College Fair
North Central College – Naperville
6:30 PM to 8:30 PM
Recreation Center

Whether your child is a sophomore or junior who is just beginning the college search process or a senior who is still looking for that right school, attending a college fair is an excellent opportunity to explore post-secondary options. There will be technical schools, the military, and over 160 colleges and universities from across the country represented. In addition, financial aid professionals will be available to discuss and answer questions regarding the federal aid process.

AP Test Registration & Details

- Registration for this year’s AP Exams concluded on Monday, February 29, 2016.
- After registration all students should have received a confirmation e-mail listing their exams, the location and report time for each exam.
- Necessary supplies for each test, instructions regarding rules for the testing period, and prohibited conduct and items are listed on our website at www.wnhs.org - College & Career Resources - AP Information
- The AP Program does not allow students to leave an exam early for any reason. This includes athletic events, jobs, or any other reason. Once again, there are no exceptions to this policy.
- It is suggested that students bring a sack lunch as they may not have access to the cafeteria/commons after the completion of their test.

Drivers Education Placement Info

- Placement for Drivers Ed is determined after course selection is completed for all students.
- Unfortunately, we do not have spots for all students, so enrollment is based on a student’s birthdate (oldest to youngest).
- Students who do not initially make it into Drivers Ed will be placed on a waitlist and then put in P.E. for that particular semester.
- Finally, students who don’t get into Drivers Ed next year will have the opportunity to enroll in WNHS’ Drivers Ed Summer School program in 2017.
Summer Opportunities

Summer is the time for students to relax and reenergize themselves. However, it can also be a time for students to do something that will interest and challenge them. Here are some suggestions on ways to make summer worthwhile. Please contact your student’s counselor if you have questions about summer opportunities.

• **Work!** Either through a summer job, volunteering, or an internship summer work allows students to get hands-on experience, develop new skills and make connections to professionals in the community.

• **Take a class!** Even though most equate summer school with making up a deficiency in credits, it can also be great for enrichment. It might mean taking a class that is not available during the school year or gaining more in-depth knowledge in a favorite subject.
  - High school summer school programs are listed below, but students may also want to check out regular COD courses.

• **Summer Camps!** Specific camps allow students to pursue genuine interests. Many local colleges and universities offer non-credit classes and summer camp opportunities. Check out their websites for information.

---

NAVIANCE

Naviance is a comprehensive website that students and parents can use to help with the college and career search process. The site was discussed in detail during your student’s junior conference, and we strongly encourage you to access the site to take full advantage of everything it offers, which includes:

• **College Search** – Provides tools to help match your preferences and compare colleges using admissions results from past WNHS students. Use graphs (scattergrams) to compare your GPA & test scores to other WNHS students who have applied and been accepted/denied to the college of your choice.

• **College Lookup** – Find colleges by name, state or quick list (those colleges to which WNHS students frequently apply) – find general and admission information, application history, and scheduled college visits to WNHS.

• **Explore Careers** – Get helpful information about particular careers such as job descriptions, necessary skills, what tasks are performed and typical wages. An excellent resume builder is also available.

How to Access NAVIANCE-

• Students have their own individual Naviance account.

• To login into Naviance students just need to go [http://connection.naviance.com/wheatonhhs](http://connection.naviance.com/wheatonhhs) and use login using their user name (normally their e-mail account) and password codes (same as their WNHS password) to login.

• Please call your student’s counselor if there are any issues with logging into Naviance.

---

High School Summer School Programs

• **District 200 eLo online** summer school courses. For more information on these courses please go to [http://www.eloconsortium.org/summer.html](http://www.eloconsortium.org/summer.html)

• **College of DuPage** offers a high school credit program for incoming and current high school students.

April 30, 2016

WW South
Odyssey Chicago
May 21, 2016

Sail away for a night of FUN, music, dance, and food!

Open to all Juniors and Seniors even if they aren’t attending prom.

Sponsored by Operation Safe Celebration

Operation Safe Celebration - Sponsored by Northwestern Medicine Central DuPage Hospital
Dedicated to the safety and well-being of our community

Sponsored by Operation Safe Celebration
From the Desk of Matt Fisher
Assistant Principal of Athletics & Curriculum

Summer Rec Information
Summer Recreation will be open for registration online beginning February 16, 2016. To view our schedule, please visit the Athletics page on the Wheaton North website and click on the Summer Recreation tab.

The summer recreation program at Wheaton North has undergone program updates. Policy update can be found below:

Eligibility
• Camps are open to children elementary – high school age
• All students in grades 9 - 12 must live in the Wheaton North attendance area to attend an athletic summer camp
• Grade level is defined as the grade the student will enter in the fall

Refund Policy
• There is a $15.00 processing fee for all refunds
• No refunds will be given after the second day of camp
• There are no partial refunds or credits for absences
• If a camp is cancelled or there is a documented illness or injury, a full refund will be issued
• Refunds must be requested through the Athletics office at: michelle.adams@cusd200.org or 630.784.7318

Fee Waiver
• Students who qualified for Free FEES in the 2015-16 school year, qualify for a 50% reduction in athletic camp fees
• Students who qualified for Reduced FEES in the 2015-16 school year, qualify for a 25% reduction in athletic camp fees
• There will be no other reductions or waivers of participation costs for students

Registration
• All registration is done online
• Fees are not prorated for athletes who cannot attend entire camp
• If you won an award for a free camp, please contact the Athletics office
• If you qualify for free or reduced fees, it is required that you make your request electronically through this link: http://goo.gl/forms/W5kj7ggb2S

After verification, you will be sent a different link for online registration

Further Information
• Please call 630.784.7318 or email: michelle.adams@cusd200.org for any questions regarding registration
• Please contact your camp coach to find out if a class is cancelled due to weather or refer to the WNHS website under Athletics

GYMNASTICS CAMPS: All registration is done through the Glen Ellyn Park District (http://www.geparkathletics.org)

Please check back soon for Winter and Spring Sports highlights and achievements on our updated Athletics web page. Listed there is additional information on how to register for Spring Athletics, paying fees, tryout information, and more!
Did you know that taking drivers education at your high school is still the safest way for teenagers to learn how to drive?

An Illinois survey of over 25,000 16-17 year old drivers who received their Driver Education instruction from a public school revealed that students have a 250% less chance of receiving a traffic citation and are 150% less likely to be involved in a serious car crash than those who participate in private driving school programs.

MARK YOUR CALENDARS IF YOU ARE GOING TO TAKE DRIVER ED:

Below are the important upcoming dates for students and their parent(s) enrolled in Driver Education this upcoming year. Driver Education Parent Meetings are mandatory for the student and a parent or guardian for the semester you are enrolled. Information regarding the application for the student’s Learner Permit and for taking the Rules of the Road Test will be discussed. There is a $20 fee required for the student’s permit. We encourage parents to come to the meeting prepared to write a check to the “Secretary of the State”. Cash cannot be accepted for the permit fee on the evening of the parent meeting.

*Tuesday, May 24, 2016 at 2:15pm in Cafeteria - Permit Test for summer Driver Education students.
*Session One Summer Driver Education – June 6th – July 1st
*Session Two Summer Driver Education – July 5th – July 29th

**Future Driver Education Students:**

If you are interested in enrolling in Driver Education during first semester, second semester, or summer - please contact the Guidance Office and your students’ counselor. You must be 15 years old in order to be enrolled in Driver Education. You are not able to get a learners permit until you are enrolled in Driver Education. In order to be eligible for a license, First time drivers need to have passed Driver Education and have their permits for nine months and completed a minimum of 50 hours logged practice driving with parents/guardian.

Want To Try A Sample ‘Rules Of The Road Test’

Take a Practice Permit Test by going to [www.driversprep.com](http://www.driversprep.com) Good Luck!

Future driver education students can go to the Wheaton North website at [www.wnhs.org](http://www.wnhs.org) (Driver Education class overview) to start preparing for the Rules of the Road Test. The test must be passed in order to receive your “Learners Permit”. There is a Rules of the Road Test Review booklet on the website. You will also receive your Rules of the Road Book the first day of class. Summer students will receive their Rules of the Road book on Driver Education Parent Night.

*(CONT’D ON NEXT PAGE)*

---

The Booster club would like to thank everyone who came to our Super Bowl Square 2016 Fundraiser January 30th. The evening was a huge success thanks to the support of the WNHS community! All proceeds will directly benefit the athletics, clubs and activities of Wheaton North. Thank you again to Steamboat BBQ for generously contributing dinner, Tony Altimari, Tara Schreiner and Michael Flynn for providing music, and Fiesta Balloon for providing decorations.

Please join us at our upcoming Booster club meeting on March 8, 2016 and May 10, 2016 at 7:00PM in rooms 802/804.

[http://www.wnhsboosters.org](http://www.wnhsboosters.org)
Current & Past Driver Education Students

Current and past Driver Education Students can check the website under “Student Coursework Completion” to verify that they passed both classroom and behind the wheel and are eligible to be tested for their driver’s license once it has been nine months from the date the permit was issued.

”TWO HANDS ON THE WHEEL, TWO EYES ON THE ROAD!”

Parental Access: As a parent or legal guardian of a person under age 18, your support and guidance are essential in helping your child become a safe and responsible driver. To assist you in that endeavor, your teen’s driving record is available to you as an additional tool. To access the information for free, simply follow the instructions by logging onto www.cyberdriveillinois.com.

Please be safe when behind the wheel!

Mr. Oleszek - mike.oleszek@cusd200.org
Mr. Eaton - david.eaton@cusd200.org
Mrs. Calabrese - karen.calabrese@cusd200.org
