

explore **MORE** day 2015 CLASS DESCRIPTIONS

New Experiences

1. **Mr. Freeze...**You will be amazed at the fascinating world of super cooling using liquid nitrogen. Enjoy this exciting science demonstration with super frozen balloons, marshmallows and explosions. Presented by Fermilab's Jerry Zimmerman. *(Allergy Alert)*
2. **Dino Dig...**Learn about the dinosaurs that once roamed our country and try your hand at fossil recovery. All students will prepare and take home their own mini dinosaur fossil. Instructors: Rene and Bruce Lauer
3. **Rockin' Robotics...**Join the WWSHS Tiger Robotics FIRST Team for this awesome class! You'll learn what robots can do, and drive the robot designed and built by the WWS team. If you love science or technology, this class is for you!
4. **Slime, Gak & Ooze...**Ooey, Gooey — Back by popular demand. Let the slime expert show you how to make the ooziest, gooiest Gak around. Instructor: Bob Stelletello
5. **Reporting Live...**Experience what it's like to be a television news reporter. Provide us with your email address, and we'll send you a link to your very own "live shot" from Explore More Day. Mark and Janet Mathis, former TV news reporters, will show you the tricks of the trade.
6. **Birds of Prey...**Whooooo's interested in owls? This new class presented by Willowbrook Wildlife Center teaches natural history using wings, feet, skulls, pictures and other "biofacts" and ends with a presentation of LIVE BIRDS OF PREY!
7. **Light It Up...**Join Professor Dave Eddington to gain a basic introduction into how circuits work by turning a potato into a battery which will power an LED.
8. **Video Game Programming...**Design your own candy troll character, then show off your coding skills on a multi-level quest for candy. *(3-5 Grade Only)*
9. **CSI: Madison...**Find out firsthand how crimes are solved in this hands-on class led by the Wheaton Police Department. Students learn how to collect evidence to identify suspects and solve crimes, including fingerprinting. *(4-5 Grade Only)*
10. **Frog Dissection...**Ever wonder what it is like to be a surgeon? Get under the skin of a frog to see what is inside. *(4-5 Grade Only)*
11. **Symbiosis in a Bowl...**Learn how a beta fish and plants can live in harmony as you create your own living ecosystem to take home. *(5th Grade Only). Only 24 spots available!*

Creative

12. **Cake Boss...**Amaze yourself with the beautiful cake you create in this class. You will decorate a pre-baked cake with a variety of fun and delicious toppings. Take your work of art home for your family to enjoy! *(Allergy Alert)*
13. **Shakes & Smoothies...**Get ready for the warm weather and chill out with the most delicious shakes and smoothies. Make and sample a variety of these treats and take home a cookbook with the recipes. *(Allergy Alert)*
14. **The Chocolate Factory...**Make some delicious chocolate treats to eat or wrap and take. If you like chocolate, this class is for you! *(Allergy Alert)*
15. **Pizza Making...**Have you ever wanted to make your own pizza and add only YOUR favorite toppings? Come learn about pizza in this "hands on" class and take your own pizza creation home!! All ingredients donated by Barone's Pizza of Glen Ellyn. *(Allergy Alert)*

16. **Pretzel Making...**Mmmmm! Don't you love those big soft pretzels that you buy at the mall? You'll learn to shape, bake and eat your own pretzel in this fun class — then take the recipe home and impress your friends and family with this delicious treat. *(Allergy Alert)*
17. **Leather Stamping...**Come learn about the history of leather crafting and stamp some of your very own leather creations. You will use special leather crafting tools to stamp your name and unique designs into a leather wristband, bookmark and either a heart or arrowhead keychain.
18. **Soap Making...**Come learn about the history of soap and make your very own soap creations using fun shapes, scents and colors.
19. **Splatter & Drip...**Come paint with Mrs. Krauss and Mrs. Schroeder! Jackson Pollock was an influential painter known for painting on canvas by dripping, pouring and splattering paint! This class is messy so please wear clothes that you don't mind getting dirty.
20. **Fleece Pillows...**Create your own comfy pillow by cutting and tying fleece fabric. You won't believe how easy it is to create a terrific accessory for your room. *(3-5 Grade Only)*

Sports & Athletics

21. **Baseball...**Baseball season is starting soon...are you ready? Brush up on your baseball skills by testing your ability to catch, throw and hit a baseball. Let the WWSHS Baseball team show you how. *Please Note: Participants are required to bring a baseball glove to this session.*
22. **Volleyball...**Join the WWSHS Volleyball team to learn the basic skills of volleyball, including serving, setting, and spiking. Get your vertical up and have a ball learning this fun Olympic sport.
23. **Cheerleading...**"Gimme a W-H-E-A-T-O-N, GOOOOOO Wheaton!" Acquire some new skills and mounts and learn a dance routine too! Join this class for fun and fitness. Instructors: WWSHS Cheerleaders
24. **Dance...**Let the dance floor kick into overdrive with this exciting class! Learn a short routine to fun music. Instructors: WWSHS Dance Team
