

August 2018

Dear 7th grade Students and Families,

Welcome to 7th grade! My name is Katy Polizzi, and I am one of the 7th grade resource teachers at Monroe Middle school. I will be your child's case manager for the 2018-2019 school year. This is my seventh year teaching at Monroe, and my fifth year teaching 7th grade. I earned my Bachelor's degree in Special Education, and I have a Master's degree in Differentiated Instruction. As a resource teacher, I co-teach integrated language arts and math, as well as teach a direct level math, and academic skills class.

The best way to get a hold of me this year is through e-mail, as I share a phone with a co-teacher and do not always have access to our line. Please feel free to e-mail with any questions or concerns throughout the year. Your child's needs are of utmost importance to the Monroe staff and I, and I want to ensure that we are working as a team to experience a successful year.

As your child's case manager, I will support them directly and indirectly during the school day. I will be revising their Individual Education Plan for their annual review or re-evaluation meeting. You will see below the date of this meeting. Myself or our school psychologist will contact your prior to this date to set up a mutual meeting time. I look forward to working with you this year!

Thank you, and I hope you and your child enjoy the rest of summer!

Sincerely,

Katy Polizzi
