

We share a common desire to inspire excellence in our students, our community, and ourselves.
To achieve that mission, we must work together.

Under the direction of our School Board and Superintendent, District 200 is turning the page on the past. **We will collaborate with our parents, taxpayers, teachers, community leaders and anyone else that wishes to work together to move our schools forward.**

Our commitment to you is we will:

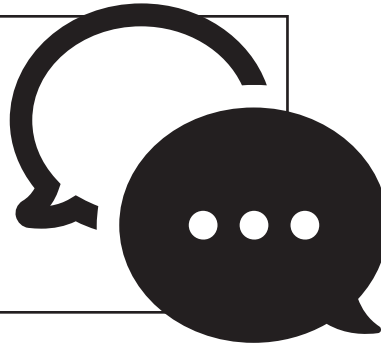

Collaborate with You on the Future of Our Schools

Reduce Costs and Be Fiscally Responsible

Provide Our Children a 21st Century Education
