

Fees for TCD

District 200 pays the \$4,500 tuition that is required for each student who attends TCD. However, there are some additional fees for participation in this program that families are responsible for paying. Below is a breakdown of fees from last year so that you can get an idea of what programs could cost. A slight increase in fees to some programs may take effect. If there is an increase in fees you will be notified. District fees that are paid after 6/30/19 will increase by \$10.
